Re: Rail car Demurrage

Dear Seminole Gulf Customer, Shipper or Receiver of Rail Cars, and Concerned Party,

Please find attached the new Seminole Gulf Railway Demurrage Tariff No. SGLR063014-D. This demurrage tariff supersedes and cancels all prior demurrage tariffs and policies issued by Seminole Gulf Railway. SGLR 063014-D was created to be consistent with the new Surface and Transportation Board ("STB") regulations concerning demurrage and storage, which can be found at 49 CFR Part 1333. Further information about the STB ruling may be found at: <http://www.stb.dot.gov/decisions/readingroom.nsf/WebDecisionID/42239>.

Demurrage is designed to encourage the timely loading or unloading of railcars. Such demurrage charges help to offset actual expenses incurred by SGLR for the entire amount of time each railcar spends on SGLR. Such charges are payable to the car owner each month. Demurrage is also an incentive to keep the supply of railcars available for the next shipment. Efficient and timely car supply is a key factor in reducing the overall costs of rail transportation.

For your convenience, Tariff No. SGLR063014-D is available online at <http://semigulf.com/wp-content/uploads/2014/06/Demurrage-Tariff-No.-SGLR060314-D.pdf>.

I thank you for your business, as well as your time and attention to this matter. Should you have any questions about Demurrage Tariff No. SGLR063014-D, please email me at rfay@floridarail.com, or call me at 239-275-6060.

Sincerely,

Robert H. Fay
